

SUNDAY, NOVEMBER 1

All Saints Day

A Day to give thanks for all those who have been role models to us. A time to share memories of how God has provided for your family through generosity and sacrifice of those who have gone before you.

We invite you to think about all the saints in your life. Who has helped you know about loving God and loving neighbor? Who has shined their light in your world? For everyone you can think of (family, friends, teachers, etc.) take a hole punch and make a hole in your bag.

After making holes in your bag for all your saints, place the candle inside of the bag. Our candle reminds us of Jesus, the light of the world. Jesus is the light that all light comes from. As you light the candle, see the light of Jesus that shines through the lives of all the saints, on to us, and into our world.

Say this prayer together as a family:
God we thank you for all the saints who loved us, loved you, and showed us how to love our neighbors. Their light shines in the darkness. Thank you for the light of Jesus that shines through them.
