

(This is the button NTX is giving out...
designed by Kim Meyers)

Blessing ideas for all times of the year!

- **Bless all the kids at VBS everyday and then as they leave, give them a button reminding them that they are a blessing. N TX Conference churches will give out 3700 buttons this summer!**
- **Bless your Sunday School teachers and volunteers at the start of a new year. Instead of having them awkwardly stand and the congregation clap, have them kneel and bless their work.**
- **Instead of blessing backpacks, bless your kids and give them to 2 buttons... one to keep and one to give to their teacher on the first day of school!**
- **Bless children when you visit them at the hospital.**
- **Invite the women and men of the church to carry blessing balm and bless kids at church... it will build great relationships. Thanks Wendi L. for this idea!)**
- **Bless children on the Sunday before they move to a new city and leave your congregations.**
- **Bless children as often as you can! They are told to sit up, stop running and to pay attention fifty times a day... being told they are a blessing once a day will not get old!**
