

Celebrate the Light of our Saints

Have an adult in your family cut the lid off of your pumpkin.
Help your family scoop out all the pulp and seeds.

Gather the whole family and get out the golf tees and mallet.
Take turns thinking of saints in your lives. Who has helped you know
about loving God and loving neighbor?
Who has shined their light in your world?

HAMMER A GOLF TEE INTO THE PUMPKIN FOR EACH PERSON
FAMILY FRIENDS TEACHERS CHURCH FAMILY
NEIGHBORS BIBLE CHARACTERS

This can be joyful and fun! You can even make holes for all the people in history whose names we don't know who helped you and I have a good and better life. You can remove the golf tees as needed and use them again to make as many as you need. When you have finished, remove all the tees.

Place the candle inside.

Our candle reminds us of Jesus, the light of the world. Jesus is the light that all light comes from. As you light the candle, see the light of Jesus that shines through the lives of all the saints, onto us, and into our world. Say a prayer together as a family.

God, we thank you for all the saints who loved us, loved you, and showed us how to love our neighbors. Their light shines in the darkness. Thank you for the light of Jesus that shines through them.
